DEDICATION

We very happily dedicate our 1981 Golden Triangle Voc-Tech Center Annual to Mike Drogula. He is a counselor, friend, "Dear Abby," and favorite joke teller to all the students and faculty. Drogula graduated from Mississippi State with a B.S. in education and an M.S. in guidance.

Since 1976 when Mike began his employment here, things have not been the same — for the GT or Mike. We are proud that he is a part of us because he projects an image that is rarely found in the couseling profession . . . the ability of integrating discipline with sincere friendship. Add to that just the right amount of humor and the result is one of the best counselors anywhere.

Rudy's Cuties won the game 18 to 0. Fun was had by all in attendance.

Is this an example of hindsight?

The First Annual T-Shirt Day

We had many chuckles over the sayings on the T-shirts. Mike Drogula was an excellent host of the show.

Mr. Drogula particularly enjoyed reading the T-shirts that the girls were wearing.

Even the director had to join in the fun.

It must have been a good one!
